الأَرْبَعُونَ النَّوَوِيَّةُ

Fifty hadith that hold the whole religion

Imam an-Nawawī gathered forty-two short hadith, each one “a great foundation of the religion”. A century later al-Ḥāfiẓ Ibn Rajab added eight more. Together these fifty hadith hold the heart of Islam: belief, worship, character, dealings with people and the purification of the heart.

This study edition turns them into a year of learning — one hadith a week. Read the Arabic, understand the meaning, meet the Companion who narrated it, then put it into practice with a to-do list for every day of the week.

- Fully voweled Arabic, with the Prophet’s ﷺ words highlighted
- English translation of every hadith
- A biography of each narrating Companion
- Explanatory notes, lessons and clear illustrations
- Step-by-step guides and weekly to-do lists
- Five review tests — 250 questions — with answer key
- Free online edition with audio and a certificate
